

## Tuncurry Beach Bowling Club

### ClubCRANTS - 2022

- Tuncurry Public School – Life Education Van – This Life Education program has continued for the last 17 years. It consists of healthy lifestyle choices, environmental issues, drug, and alcohol choices delivered in a highly engaging manner.

\$4,500

- Samuel Brett Nelson Kickstart Program – As a result of a local 10 year passing away because of Cardio Myopathy. The Nelson family continue to run programs such as guitar lessons, martial arts, soccer coaching, swimming lessons for our primary school students. TBBC have been supporting these programs for the last 5 years.

\$3,500

- Harding Miller Education Foundation – This project will support the educational outcome of a bright Year 9 girl at Great Lakes College Tuncurry Campus. This student will be identified as being of high academic potential coming from significant socioeconomic and personal disadvantage.

\$5,000

- Great Lakes Suicide Prevention Network - The Suicide Prevention Network has been very active in our local area. As suicide rates increase, the Network are working tirelessly with Mental Health organisations to reduce and support everyone in our community.

\$3,000

- Great Lakes Womens Shelter – GWS provides safety, security, new skills, creating an economic base to enable a new start in life for women and children dealing with domestic and family violence.

\$5,000

- Blackhead Surf Life Saving Club – Blackhead SLSC provides an important service to a growing area made up of locals and may tourists. The request is for funding to help with the purchase of a second Inflatable Rescue Boat (IRB).

\$3,000

Total amount \$ 24,000
